

**Stansted G2 Airport Project**  
Environmental Statement  
Volume 1  
Part 2 of 4 – Appendix 1 –  
Appendix 6

Working with:

**ARUP**

**Generation2**

## Part 1

Main Text

## Part 2

### **Appendix 1**

List of Applications

### **Appendix 2**

Construction Methodology

### **Appendix 3**

Code of Construction Practice

### **Appendix 4**

Environmental Data Related to the Best Estimate Airspace Design

### **Appendix 5**

Full Airport Application (G2-FULL) Development Specification

### **Appendix 6**

Outline Airport Application (G2-OL) Development Specification

## Part 3

Appendix 7

Full Airport Application (G2-FULL) Application Drawings

Appendix 8

Outline Airport Application (G2-OL) Application Drawings

Appendix 9

Outline Airport Application (G2-OL) Parameter Plans

Appendix 10

Information Plans

Appendix 11

Local Roads Plans

Appendix 12

Sites for Offsetting Plans

## Part 4

Appendix 13

Alternatives Considered

Appendix 14

Environmental Scoping

Appendix 15

Schedule of Greenhouse Gas Emissions

Appendix 16

Forecast Book

Appendix 17

Developments to be Included in Local Cumulative Effects Assessment

Appendix 18

Sustainability Objectives

**Appendix 1**

List of Applications

**Appendix 2**

Construction Methodology

**Appendix 3**

Code of Construction Practice

## **Appendix 4**

Environmental Data Related to  
the Best Estimate Airspace  
Design

**Appendix 5**

Full Airport Application (G2-  
FULL) Development  
Specification

**Appendix 6**

Outline Airport Application (G2-OL) Development Specification
