London  
**Stansted** 

At Stansted there's an extensive network of coach and rail options to get you to London.

Over 49% of air passengers already use public transport for their journey to and from the airport making Stansted the number one major airport in the UK for public transport use.

Our bus, coach and rail network serves central, east and north London, major cities in the south and east of England and surrounding towns close to the Airport.

Further information on these services and additional information is available on **transportdirect.info**
